

Procedure

PPE-Prescription Safety Glasses

Written by : J. Paz

DCN : AP 112 R0

Approved by : J. Shay

1. Introduction / Background

Safety glasses must be worn AT ALL TIMES on Plant and/or Construction job sites, except in approved PPE exclusion zones. Safety glasses must meet or exceed all applicable requirements for OSHA as per the ANSI standard Z87.1.

2. Scope / Purpose

Prescription safety glasses are available to employees at the Area Manager's discretion. This procedure provides instructions for ordering prescription safety glasses through the company.

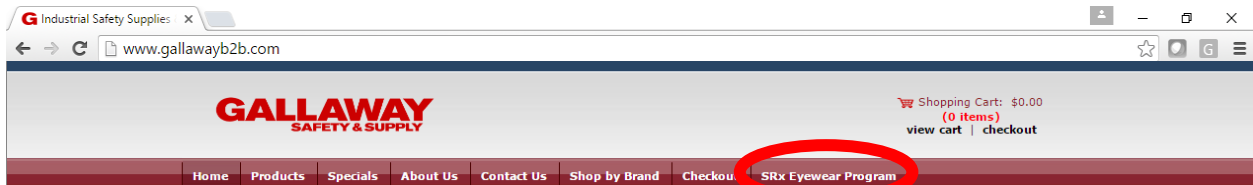

3. Definitions

PPE Exclusion Zones – Areas in which it has been determined that PPE is NOT required.

4. Instructions

Prescription Safety Glasses Procedure:

1. Direct internet browser to www.gallawayb2b.com.
 - a. Click on *SRx Eyewear Program*.

2. Click "CLICK HERE FOR REQUEST FORM" to begin at the SRx request page.

SRx Eyewear Program

3M Safety Prescription Eyewear

3M has partnered with over 2,000 Eye Care Professionals throughout the United States to provide accurate and timely safety prescription (SRx) eyewear fitting and order processing.

How it works: Simply fill out our online custom request form below and bring it to the 3M SRx approved eye care professional in your area for product selection and fitting. After the completed eyewear has been shipped, your account will be invoiced. It's that simple!

CLICK HERE FOR REQUEST FORM

- Click on "Eye Care Professional Locator" to locate a 3M affiliated eye care professional near you.
